Specifications

- **Certified ISO Grade Design:** ISO 5
- **Unit of Measure:** of 1

Features & Benefits

Wall-Mounted BioSafe® Stainless Steel Cleanroom File Holder Easy Cleaning

The BioSafe® stainless steel file holder incorporates wide openings that make all surfaces easy to clean and minimize the chance of particle build-up. BioSafe® file holders include radius corners allowing convenient disinfectant wipe-downs.

Continuous Product Improvement

At Terra, we strive to develop and

produce the highest quality products for our customers to improve health, safety, performance, and yields. Our product quality is enabled by high-grade manufacturing equipment and processes, 45 years of engineering and application expertise, and our commitment to continuously improve.

Protecting Personal Information

Terra is committed to ensuring that our customer's personal information is secure. In order to prevent unauthorized access or disclosure, Terra has developed procedures to safeguard and secure information collected online and offline.

ISO 8 Icon

Products Tailored to Your Cleanroom Environment

Provide Terra with your desired ISO

Grade™ design. We will tailor the product to meet your criteria and certify it with a report appended to your invoice. Certificate includes all the necessary information to streamline audits and facility compliance.
